

BUTBA

Club Development Fund 2015/16

The BUTBA Club Development Fund was created to allow University Clubs to apply for funding to be put towards developing the Club, especially towards the beginning of each academic year.

This year we have simplified the process for applying for funding. Below we have outlined 3 'Packages' available. To apply, simply email Frazer Bowen, clubdev@butba.co.uk your application will then be approved (assuming you choose one of the 3 Packages).

From there, you will then be required to provide receipts for the expenditure for which we will then reimburse you.

If you want, you can make a request for funding that doesn't fit into these 3 Packages following the same method. However, it will be down to the Club Development Officer, Student President & Treasurer to determine if your request is approved.

Promo Package (£40)

Welcome Session Package (£50)

Start of Term Prizes (£30)
