Entry Allocations

The allocation of entries is on an 'equal entitlement' basis. Each club submitting an entry by the closing date will initially receive one place. Each club requesting more than one team will then be allocated additional space. This process will continue until the number of places left exceeds the number of clubs requesting extra teams. These remaining places will be allocated on a 'first come, first serve' basis, with the tournament director's decision being final.

Tournament Format

The first round will see teams allocated into groups (3 groups of 6, based on an entry of 18 teams) where they will play every other team in their group over a single handicapped matchplay game. Teams will receive 2 points for a win, 1 point for a tie and 0 for a loss. After completion of all first round matches the top two teams in each group, based on total points accrued, will progress to the second round (in the event of a tie for any position, the team with the highest handicapped pinfall will progress), along with the two teams that have the highest pinfall total from amongst the remainder.

The second round will consist of 2 seeded groups of 4 teams, where every team will play one matchplay game against each of the other teams in their group (as per round 1). The top two placed teams in each group after all matches have been played (based solely on points accrued in round 2) will progress to the seeded semi-finals and finals. The semi-finals and finals will each be contested over a single handicapped matchplay game to determine the eventual winners. There will be a 3rd/4th play-off too to determine the 3rd placed team. In the event of a tie in any semi-final or final match, a 2 frame team roll-off will take place to determine the winner.
