

BRITISH UNIVERSITIES TENPIN BOWLING ASSOCIATION

Extraordinary General Meeting

AGENDA

Saturday 25th February 2017, MFA Nottingham – 13:00

1. Attendees and Apologies
2. Constitutional Amendments

In the Nuneaton Scotch Doubles joint BTBA/BUTBA event BUTBA players were allowed to enter off their BUTBA averages (as per the BUTBA constitution), whether it was their highest average or not. The BTBA have suggested this be changed for the Airport Doubles joint event in May, as it creates an unfair playing field with some entrants entering off different rules.

Proposal: Tournament Standing Order RNK14 is suspended for the Airport Doubles only in 2017. The tournament will be run as per the BTBA Tournament rules for all teams (highest single league average over 21 games must be declared).

This would only affect the qualification for the handicap finals. BUTBA Handicap Order of Merit points will still be allocated after the event on qualifying games, using the current BUTBA Tour averages.

- a. Vote – do the council agree to suspend Tournament Standing Order RNK14 for the Airport Doubles only in 2017.
